

FIW 2024 On-Demands Now Available: Social Media Kit

About: It's the 10th anniversary of Financial Inclusion Week (FIW), an annual virtual gathering of the global inclusive finance community. Hosted by the Center for Financial Inclusion (CFI), FIW offers participants a unique opportunity to exchange ideas, research, and perspectives from around the world. While reflecting on the progress of the past decade, this year's FIW theme asks participants to think about "Financing the Future – Shaping the Next Decade of Inclusive Finance."

This year, we're releasing ALL on-demand content early so attendees have the chance to explore and watch content ahead of the FIW live agenda. Starting October 8th, attendees will have access to all on-demands sessions on the FIW event platform to watch at their convenience.
